Members can join as individual members or as a family. For a family we use the contact information for the initial member and collect the spouse/partner name for reference. Note that only one email address is used.

If you want the Club to contact both or all members of the family individually using separate email addresses, you will need to contact the Communications Director.

You are required to complete a separate Waiver document as a condition of membership, and to be eligible for club paddles, and to confirm your awareness and responsibility regarding the risks associated with paddling. The Waiver document must be **signed by the member in the presence of a club executive or an executive appointed club representative**. Each member of a family must sign a Waiver document. Waiver needs only be completed once upon joining.

Information Privacy. South Island Sea Kayaking Association (“SISKA”) complies with current legislation, PIPEDA, The Personal Information Protection and Electronic Document Act, for the privacy and security of your personal information. SISKA will only use this information for its normal business processes, such as processing the membership form and payment, and communicating notices of activities, and other SISKA information of interest to members. Any use other than the above of your personal information will be approved by you in advance with the Membership Director. For more and current information on PIPEDA, search the BC Government, and Industry Canada websites.

Web Site (www.siska.ca), SISKA is designed to promote and facilitate your involvement in SISKA activities. To that end we have developed (and will continue to evolve) a website that will have a calendar of events, forums for discussions and sharing activities, and a blog site for pictures and shared experiences. The website and our meetings will be how we access, plan and share information.
