

THINKING ABOUT DOING SOME KAYAK TRIPPING THIS SUMMER?

Now that you have refreshed your paddling skills, it's time to think about multi-day kayak trips this coming summer season!

Several kayak businesses are pleased to offer discounts to SSKA members booking trips with them this summer - so take a look to see if any of them work for you, and then contact them directly to book your summer paddling adventure!

You can check out our kayak skills partners...

https://siska.ca/prod/docs_private/siska_docs/siskas_kayak_skills_course_partners.pdf

And consider these offers from our partners for paddling trips...

I am happy to extend the discount again this year, however I have kept my prices minimal and have not made any large increases since we last spoke. In order to make it viable I will do a 5% discount, essentially paying for the GST. The price has changed to take account for the new Ahousaht Stewardship fee that we collect for camping in Ahousaht territory. The list rate is \$920 per person +GST. So your discounted rate will be \$874 per person +GST. We still require a minimum of 4 for these tours to run. We do offer mixed group tours to accommodate couples.

Happy paddling

Ryan Rogers – Owner
Paddle West Kayaking Ltd.
PO Box 831, 606 Campbell Street
